SUMMER PROGRAM 2021

The summer program offers stimulating and engaging weekly themes coupled with S.T.R.E.A.M. academic enrichment. **S.T.R.E.A.M.** integrates **S**cience, **T**echnology, **R**eading/Writing, **E**ngineering, **A**rts, and **M**ath into discovery and experiences inspired by the world around us. The camp is led by BASIS Beginners teachers and provides students with meaningful and interactive activities and projects. The goal of the BASIS Beginners Prague summer camp is to continue the learning process over the summer through fun, action-packed activities!

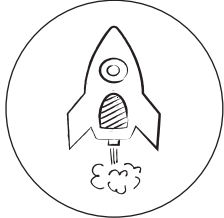

WEEK 1 (AUGUST 2-6) | LITERACY & CRAFTS

S.T.R.E.A.M. with Eric Carle: Join the Very Hungry Caterpillar for a week of literacy and crafts! Students will be transported into the fascinating world of Eric Carle through puppets, dramatic play, literature, and creative masterpieces.

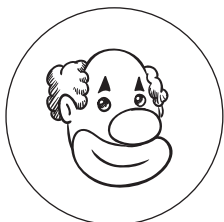

WEEK 2 (AUGUST 9-13) | CAMPING

S.T.R.E.A.M. Camping: Grab your tent and sleeping bag to join us for a week of wilderness and adventure! Students will tell stories around the campfire, roast marshmallows, and explore the beauty of nature.

WEEK 3 (AUGUST 16-20) | SPACE MISSION

S.T.R.E.A.M. Space Mission: Buckle up for our journey to outer space! Students are going to fly around the solar system to learn about astronauts, gravity, and our planet.

WEEK 4 (AUGUST 23-27) | CIRCUS

S.T.R.E.A.M. Circus: Give a round of applause for BASIS Beginners circus fun! During this circus themed camp students will build their own miniature circus Inspired by the artist Alexander Calder, along with participating in variety of circus activities.
